

Fiona

Stressless® Fiona is a modern and clean design with neat proportions. Classic in its beautiful simple lines, the sloping back features a fine horizontally stitched detail for a unique look. Customise with a traditional upholstered arm, elegant wood details or a modern look with steel.

The seat cushions contain clever 'ComfortZones™' to enhance the softness and allow the cushions to adapt to your seating position. When you sit down, the back part of the cushion will give in more than the front part of the cushion. As a result, the seat cushion will angle slightly, giving your legs a comfortable angle while seated.

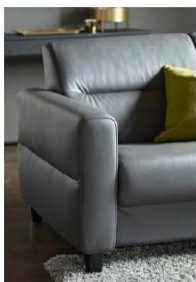

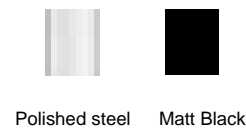

Legs for upholstered arm sofas available in all wood (x8) and steel colours (x2)
